Today 8:25 PM

You're still coming over right?

Angelica!

Your alive!

Uh yeah

Why wouldn't I be?

Weren't we in a car accident?

What?!

No

What are you talking about?

I picked you up at Sharon's and you drove home...didn't you?

Yeah that was a week ago and you still have my jacket

Is everything okay Alejandra?

I'm fine.

Just had a weird dream that's all.

See

I told you you were working too much

Maybe I do need that vacation.

So...can I still go with you?
