Hey are you still at your office?

Yeah

What's up?

Can you pick me up?

I'm at Sharon's house

Mom can't get you?

No

She's working late again

Alright

I'm on my way.

Thanks sis!

Wednesday 1:01 PM

You left your jacket in my car yesterday.

So that's where it went!

Can you bring it tomorrow?

Tomorrow?

Duh it's Thanksgiving!

You're coming to Abuelita's house right?

Mama will kill you if you don't

Of course I am.

Just forgot for a second there.

Dang girl you've been working too much!

I'm fine. I just have a lot of cases I'm working on right now.

Well I think you should take a vacation

And take me with you

Keep dreaming

Awww come on

Please

Not gonna happen Chiquita.

Thursday 6:12 PM

Mama wants you upstairs

Por qué?

We're dividing up the leftovers

Okay

Tell her I'm coming.

Today 6:17 PM
